Dear Oakland Board of Port Commissioners,

I am writing to you on behalf of Japan Airlines to express our concern regarding the proposed name change of Metropolitan Oakland International Airport to San Francisco Bay Area Oakland International Airport.

Japan Airlines has proudly connected passengers traveling between Japan, Asia, and the San Francisco Bay Area for the last 70 years via San Francisco International Airport. We are deeply concerned about the proposed name change of Metropolitan Oakland International Airport to San Francisco Bay Area Oakland International Airport, as it may confuse our international travelers, particularly those connecting to their flights. Therefore, we respectfully request the authorities to reconsider this proposal to avoid inconveniencing our valuable passengers.

Thank you very much for your attention to this important matter.

Best regards,,
Toru Takahashi
